EXPERIENCE

Campaign Manager, Keep Seattle Moving

Sept 2024-Dec 2024

Led the strategic execution of a campaign for Proposition 1, to renew Seattle's Transportation Levy, aimed at enhancing mobility, safety, and sustainability. Coordinated with campaign coalition, managed voter outreach, developed strategic communications, managed campaign website and social media strategy. Recruited and oversaw over 70 volunteers to engage and educate the community. Collaborated with consultants to drive a comprehensive field campaign, including canvassing, phone and text banking, and GOTV efforts.

Event Coordinator, Community Alliance for Global Justice

June 2024-Sept 2024

Coordinated the 2024 Food Justice Picnic, designing an educational Food Justice Scavenger Hunt, along with other family friendly community building activities. Solicited donations and coordinated logistics for a silent auction. Recruited and managed volunteers, general publicity, and social media management.

Climate Resiliency Consultant, Grace Lutheran Church

May 2024 -July 2024

Conducted an evaluation of utility usage and associated building emissions for a church building in Corvallis, OR. Presented climate resiliency planning recommendations for consideration by the congregation planning for a low-income housing development on an adjacent church property. Proposed a framework for conducting a Community Greenhouse Gas Inventory, in line with climate emissions reduction targets set by the city and state.

Community Partner, Student Climate Assembly Program

April 2024 -August 2024

Supported the implementation of legislatively mandated program increasing equitable public participation among students in climate policymaking. Curated resources for teachers implementing student climate assemblies in public schools. Provided expertise on climate assemblies to program managers, prepared and presented background information on climate assemblies at teacher trainings, and reviewed curriculum prior to submission to the Office of the Superintendent of Public Instruction.

ACCOMPLISHMENTS

- Led electoral campaign to renew Seattle's Transportation Levy, resulting in \$1.55 Billion in funding for Seattle transportation infrastructure, Nov. 2024.
- Recipient of Evans School Justice and Diversity Research Prize, June 2024
- Advised the city of Gig Harbor, WA on the creation of a Youth Council Program, May 2024.
- Participated in round table discussions by the Center for Climate Solutions (C2ES) on the Sustainable Aviation Fuel industry, April 2024.
- Led a state legislative campaign resulting in \$225,000 allocated from WA State Operating Budget, for deliberative climate engagement programs, April 2023.
- Contributing author to *Restorative Communities: From Conflict to Conversation*, published Oct. 2022.
- Organized block party concert raising \$5,000 for the Trans Woman of Color Solidarity Network, July 2022.
- Initiated CAGJ research project on international agribusiness PR, research, published Oct. 2020.

Research Consultant, Statewide Poverty Action Network

Dec. 2023-June 2024

Conducted a case study on the convening of a group of people with lived experience to guide the work of Governor Inslee's Poverty Reduction Work Group. Created a how-to-guide for governments and organizations to center people with lived experience within policy-making processes. Served as the team's project administrator; maintained dataset of thirteen coded transcripts from semi-structured interviews within qualitative analysis software Atlas.ti. The team won the Evans School Justice and Diversity Research Prize.

Advocacy Fellow, People's Voice on Climate (PVOC)

June 2023-Sept 2023

As a recipient of the Hubert G. Lock Fellowship, I focused on outreach, development, and advocacy for the organization, building stakeholder connections, and relationships with partner organizations. Launched a contact management database.

Program Lead, People's Voice on Climate

Sept. 2022-June 2023

Led political working group which developed proposals to fund projects increasing equitable public participation in climate policymaking. Facilitated meetings, planned, and coordinated campaigns, implementing long-term strategic goals to increase engagement and expand opportunities, coordinating local and regional events. Representing the organization to elected officials and community organizations, building, and maintaining relationships.

Session Aide, State Rep. Jake Fey, 27th LD

Jan. 2022 – March 2022

Supported the Chair of the WA House Transportation Committee, coordinated office activities; took public comments; managed the house members' schedule; drafted responses to constituent emails and letters using Microsoft Office Suite; managed casework, and supported constituents' access to government services. Represented Rep. Fey in constituent meetings.

Outreach Coordinator, People's Voice on Climate

April 2020 – April 2021

Led outreach and engagement for a grassroots initiative planning a state-wide citizens assembly on climate, built relationships with elected officials, state agencies, tribal governments, and local organizations. Served on hiring committee for an independent Coordinating Team; and organized virtual events, managed social media, published stories, drafted press releases, op-eds. Managed contact database; tracked progress on outreach goals.

Paralegal Assistant & Legal Editor, PRK Livengood, PLLC

July 2019 – March 2020

Supported the work of business, real estate, and estate planning attorneys. Client management, and communication with state and federal agencies. Drafted and edited business contracts, estate plans, and correspondence. Filed business, and estate planning documents.

Research Intern, Community Alliance for Global Justice (CAGJ)

June 2016 – July 2018

For local food justice non-profit, pitched and carried out an original research project on agribusiness PR networks. Published articles and managed social media. Presented on the organization's research and advocacy priorities. Represented the organization at the UN COP 13 on Biological Diversity. Maintained cooperative relationships with regional and international partners.
